

OUTDOOR LIVING

Snack stations that double as evening cocktail bars or relaxed seating areas creates a relaxed gathering space. Designing table for Danese that blends into the outdoor as well as the indoor space.

SOCIAL BACKYARD

Smoothing lighting both inside and out.
It's crucial to have areas of darkness and light to highlight the spaces where you want to draw your eye. lightning up candles or firespot around relaxed seating areas also ceates a relaxed gathering space, as they blend well in to the environment and promotes asmosphere at the same time.
